Dear Parents,

On behalf of the staff at Hyre CLC, I am happy to welcome you to the 2020-2021 school year! We are looking forward to a productive partnership with you to ensure our children can achieve their highest potential. We recognize that in order to be successful in school, our children need support from both the home and school. We know a strong partnership with you will make a great difference in your child's education. As partners, we share the responsibility for our children's success and want you to know that we will do our very best to carry out our responsibilities. We ask that you guide and support your child's learning by ensuring that he/she:

- Attends school daily and arrives on time, ready for the day's learning experience
- Completes all homework assignments given by teachers
- Reads daily to develop a love for reading and to improve literacy skills
- Shares school experiences with you so that you are aware of his/her school life
- Informs you if he/she needs additional support in any area or subject
- Knows that you expect him/her to succeed in school and go on to college

During the school year, I want parents to know that every Sunday at 6:00 pm, you will receive an **ALL CALL** from me. The **ALL CALL** will inform you of events that are occurring at Hyre for the week as well as upcoming events. For those that we have an email address for, you will also receive an email of the **ALL CALL**. I believe in letting parents know what is occurring at school and not having any surprises. Please make sure to listen to the **ALL CALL** or feel free to contact me anytime. You may also get this information from the Hyre PTA Facebook page.

The first official day of school for the 2020-2021 school year is for 8<sup>th</sup> grade students is September 9<sup>th</sup>. For grades 6 and 7 it is September 11<sup>th</sup>. Please see the attached schedule for student's daily schedule. If you have any questions, please join in one of our Google Meets sessions from 6:00-7:00 every night through September 8<sup>th</sup>. I know that as long as we work together as one, this will be an excellent year. If you have any questions or concerns, please feel free to contact me anytime at 330-761-7930.

Respectfully,

Mr. Bender

Attendance is taken electrically at the start of each class period. Attendance calculations is done by hours, which means each and every minute of the school day counts. It is extremely important that all students sign in on time to prevent being marked absent.
